ALBIA ROSÉ 2018

Sangiovese, Merlot

ROSÉ TOSCANA IGT

VINEYARD

A fresh and fragrant wine that expresses the essence of the finest grapes selected for this vivacious rosé that can be served as an aperitif or in a variety of pairings.

GROWING SEASON

Overall we can state that 2018 was a complex harvest due to the climatic trends which tended to be more humid than on average in the past, but with excellent summer temperatures and a very dry period in the months of September and October. Thanks to good underground water supplies, the plants never suffered water stress and ripened regularly. The grapes brought to the cellars was of a very high quality, which leads us to hope for a high quality wine.

WINEMAKING

In stainless steel at controlled temperature of 12°C-16°C (53.6°-60.8°F) for 25/30 days.
